Start for \$0. Seriously.

An offer this good? It's Genius.

- ✓ **No subscription, setup, hardware or shipping fees**
- ✓ **Easily manage your storefront and back office anytime, anywhere**
- ✓ **Cash discounting to help offset operating costs**

Get the smartest POS on the scene — for free

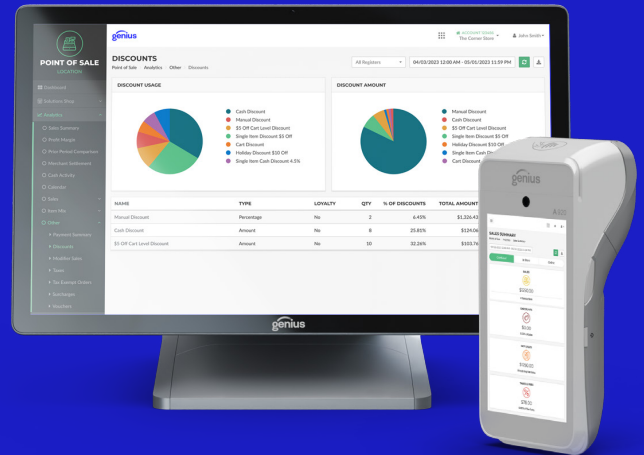

Simple yet powerful, Genius is the point of sale that works as hard as you do. Enjoy easy and intuitive software paired with fast, durable hardware in an all-in-one system.

Turn casual shoppers into profitable regulars

Effortlessly drive repeat visits with loyalty tools, competitive cash discount pricing and seamless online ordering — already built into your POS.

The ultimate command center for your shop

Simple to get started

Onboarding is quick and training is painless, so you can be up and selling in a few days, not weeks.

Intuitive to use

From new employees to seasoned managers, Genius is designed to simplify every user's job.

Effortless to scale

Easily add on an additional device, location or integration as soon as you need it.

Don't miss out! Take advantage of \$0 to start by contacting your sales professional today.

genius

*This pricing program is available to merchant customers who apply and are approved as a new Genius for Retail merchant. Processing fees and other charges still apply. All accounts subject to credit approval; some restrictions and exclusions apply. Merchants must process payments through Genius. Offer is good for up to 10 POS stations. Three-year contract and 4% cash discounting required. Early Termination Fee may apply. Must present at least 2 months of merchant processing statements to receive a sales quote and process a minimum of \$250,000 in annual processing volume. Sales quote good for 15 days after receipt. ©2025 Global Payments Inc. All rights reserved. Genius is a trademark of Global Payments Inc.
